MRS. A. H. MONTGOMERY ENTERTAINS FOR MYRLE BUDD OF U. S. S. NEW YORK

In honor of her son, Myrle Budd, of the U. S. S. New York, and his two friends and shipmates, Mr. McCutcheon and Andrew Love, Mrs. A. H. Montgomery, of 415 South Central avenue, gave a pretty dancing party Saturday night. The house was decorated with flags in deference to the service in which the guests of honor are engaged and the hostess was assisted in entertaining by Mr. and Mrs. Walter Jones. The young people bidden were: Misses Marian Jones, Madeline Love, Mildred McKee, Louise Fambrough, Virginia Fambrough, Murray Longley, Hazel Olson of Los Angeles, and, of course, the daughter of the hostess, Manola Budd, Messrs. Kenneth Jackson, John Richardson, Joseph Webster, Kirk Voight of Los Angeles, Mr. Heller and the guests of honor. Punch was served during the evening and ice cream and cake at the close of dancing.

Mr. Budd left Sunday night for San Pedro to join his ship which will remain for several weeks for target practice trips and will then sail for Honolulu.

ATTEND JACKSON FUNERAL

F. M. Browning and wife and their daughter Atala, Mrs. Welsh Hanbury of Long Beach, all former residents of Glendale, where Mr. Browning was Salt Lake agent, came up Saturday to attend the funeral of Robert M. Jackson. The Brownings recently bought a lot 70x185 in Los Cerritos, a high-class subdivision 4 miles north of the Long Beach ocean front, and Mr. and Mrs. Hanbury one of the same size adjoining and both will build fine residences thereon.

CITIZENS' ORGANIZATION

Tomorrow (Tuesday) evening at the City Hall, at 8 o'clock, all persons who have at any time been identified with the Glendale Chamber of Commerce or the Greater Glendale Development Association are invited to form a new organization, name it, adopt rules to govern the organization. The opportunity presents itself at this time to put aside all by-gones and make a new start,—everybody on equal footing.

The name of the new organization may be "Board of Trade" or it may be "Chamber of Commerce" or it may be another name will be chosen. Come out to the meeting feeling that you have equal rights with others and be satisfied to have the majority rule.

HOME FROM NORTH

Miss Muriel Turner of 318 North Jackson street has just returned from an auto trip to the north with Mr. and Mrs. Guy Lamoreaux and their son, George Lamoreaux. They spent a few days at Santa Cruz where they visited the big trees and then went on to San Francisco where several days were spent in sight seeing. Mrs. Turner and her daughter Alma are at Ocean Park and Miss Muriel will join them there. Miss Violet Taylor is busy every day in Los Angeles, but goes to Ocean Park every night.

APOSTLES QUERIED

EVANGELIST PROUT QUESTIONS PETER AND PAUL ON SABBATH OBSERVANCES

"If Christ's Apostles lived today they would be Seventh-day Adventists," said Evangelist C. S. Prout at the Gospel Tent last night. To a large and interested audience Mr. Prout outlined the reasons for such a statement.

"One is a Seventh-day Adventist who believes and keeps the seventh day as the Sabbath day and who believes in the second advent of our Savior. Many people misunderstand what we believe and listen to the gossip and misconstructions of others. People are not willing to accept a 'Thus saith the Lord.'"

Mr. Prout called to the witness stand the Apostle Peter and said: "Peter, do you believe in keeping the seventh day commonly known as Saturday, as Sabbath?" He answers: "Christ left us an example. He always kept the Sabbath known as Saturday. His custom was to attend."

MRS. STEELE WRITES

ACCOUNT OF AUTO ACCIDENT, MOSS BEACH IS DESCRIBED

Mrs. Celia Steele of 318 Myrtle street, writing from Moss Beach, Calif., to her daughter in Glendale told of an auto accident in which her son-in-law, Dr. H. H. Amelung, and family, narrowly escaped serious injury or death while motoring from Santa Cruz to Moss Beach. The roads were being repaired and the temporary routes were in such a bad state that in negotiating a particularly trying angle Dr. Amelung, who was driving his Essex car, suddenly found himself and family unceremoniously spilled out in the dust. The car, which turned over on its side, suffered some disfigurements but when righted was able to start out again. The doctor, wife and son suffered no injury beyond the shake-up, dust bath and fright.

Some little time was spent in repairing the machine and laundering their clothing after which they resumed their journey and reached their destination, Moss Beach, where they joined Mrs. Steele and her son Thomas. The entire party intend to remain there a few weeks for reasons of both business and pleasure. Mrs. Steele owns real and personal property in Moss Beach, which is a little resort on the ocean about 27 miles south of San Francisco.

The weather there is very foggy especially when it is warm in the interior.

Mrs. Steele and son Thomas motored from Visalia to Fresno, then wisely left their machine there and took the train the remainder of the way to Moss Beach, having heard of the doubtful roads.

Another member of the family, Mrs. B. J. McCulloch, and family, of Visalia, are planning to join the circle at Moss Beach soon, where their children can enjoy the benefit of the cool air and ocean bathing and get acquainted with the various creatures that make their home in the ocean or on the rocks.

INTENSIVE CULTURE

TWO CROPS ON SAME GROUND AT SAME TIME DO WELL

The good old American stock can out-Jap the Japanese when they really put their minds to it. This is shown in many fields northwest of the city, in the Grand View district and on west of there. Last year the experiment was made of planting cantaloupe seed in rows the usual distance apart the last of March or early in April, soaking the seed so that it would come up very quickly. When the plants had just begun to put out runners, tomato plants were set out between the rows the same distance apart as the cantaloupe hills. By the time the melons had been picked the tomato plants were taking on their fruitage and the full strength of the soil went into them.

This experiment on a small scale was so successful that many went into it this year. Chas. Ellsperman, whom an Evening News reporter questioned about the matter, said this is his second year at it and he showed a 7-acre field with a most flourishing growth of both crops, the melons just about ready to pick. His neighbor on the west, Mr. Weldon, has several acres planted likewise, and both men are highly pleased with the plan, as their cantaloupes are engaged at a lucrative price and their tomatoes contracted for at \$20 a ton by the cannery.

VALLEY CROPS

W. F. WOOD, TOURS SAN FERNANDO VALLEY AND FINDS CONDITIONS GOOD

Mr. and Mrs. W. F. Wood of 1470 East Wilson avenue, motored through the San Fernando Valley Friday to visit Mrs. Wood's brother, C. I. Thacker. He has quite an acreage in baby Lima beans which are a popular crop in his locality. Where they have received good attention they are looking fine, Mr. Wood says. Sugar beets also make an excellent showing. The acreage is not as large as a year ago, the farmers having preferred to grow beans. The fruit crops are excellent also and ranchers have every prospect of realizing good prices for apricots and peaches as well as beans and beets.

WEATHER FORECAST: Fair, continued warm.

JAPANESE INVESTIGATIONS CONTINUED

COMMITTEE DIVIDED INTO TWO GROUPS TO FACILITATE WORK—CONGRESSMEN IN LOS ANGELES

(Special Service to Glendale Evening News)
SAN FRANCISCO, July 19.—Members of the Congressional Committee, investigating Japanese activities on the Pacific coast were today divided into two groups to resume investigations.

Congressmen Taylor and Swope left today for Los Angeles to continue investigations. They will probe into the smuggling of Japanese across the border from Mexico and Japanese control of the San Pedro fishing fleet it is expected. The entire committee will leave for Oregon and Washington later in the week.

HARDING ATTACKS LEAGUE

SAYS REPUBLICAN PARTY WILL REPUDIATE THESE "ILL-CONSIDERED COMMITMENTS"

(Special Service to Glendale Evening News)
MARION, O., July 19.—Senator Harding if elected president, will refuse to take any steps toward ratification of the Peace Treaty while the League of Nations covenant stands intact according to the view of his friends after a careful study of his latest attack on the League.

"The Republican party wants the country to know that it rejects all these ill-considered commitments and pledges its administration against them," Senator Harding declared.

Harding also asserted that a heavy armament will be necessary to carry out these policies.

DEMOCRATS PLAN CAMPAIGN

COX AND ROOSEVELT IN COLUMBUS FOLLOWING CONFERENCE WITH PRESIDENT

(Special Service to Glendale Evening News)
COLUMBUS, O., July 19.—James M. Cox and Franklin D. Roosevelt, democratic nominees for president and vice president, arrived here today from Washington following a conference with President Wilson resulting in complete agreement with the president on the League of Nations issue.

Details of the campaign stumping tour, the selection of a new national committee chairman, party finances and the establishment of headquarters for the Democratic national committee will be discussed today.

PRINCE JOACHIM A SUICIDE

YOUNGEST SON OF EX-KAISER WILHELM TAKES HIS OWN LIFE AS RESULT OF DOMESTIC TROUBLES

(Special Service to Glendale Evening News)
BERLIN, July 19.—Prince Joachim, the youngest son of the ex-kaiser, committed suicide by shooting following a drunken debauch according to the popular belief. His suicide was brought on by brooding over his wife's desertion his friends said.

Prince Eitel Frederick issued a formal statement saying his brother's death was the result of "physical disturbances caused by the pressure of events, and personal difficulties." Prince Joachim will be buried Tuesday from the Friederichskirche at Potsdam.

TRAPP MURDERER CAPTURED

FULLERTON PEOPLE EXCITED WHEN REPORT WAS CIRCULATED SLAYER WOULD BE BROUGHT THERE

(Special Service to Glendale Evening News)
FULLERTON, July 19.—This city was intensely excited this morning following reports that Henry Washington, alias Wilson, the negro who had confessed to the murder of Roy Trapp and the brutal assault upon Mrs. Trapp was being brought here from Topoc, Arizona.

SANTA ANA, July 19.—Sheriff Jackson of Orange county left here for Los Angeles today. While his trip was shrouded in secrecy it is believed he has gone in connection with the arrest of Henry Wilson, slayer of Roy Trapp. It is believed that Wilson will be taken to the Los Angeles county jail.

SHOT BY GIRL

JULIUS JONAS OF CHICAGO NEAR DEATH FROM BULLET WOUND INFLICTED BY SWEETHEART

(Special Service to Glendale Evening News)
CHICAGO, July 19.—Julius Jonas, brother-in-law of Leo Feist, New York music publisher, is near death from shooting by Pauline Meitsch, who committed suicide following the shooting of Jonas. Jonas had been carrying on a clandestine love affair with the girl who shot him because his love was waning. Mrs. Jonas forgave her husband before he was taken to the hospital to have the bullet removed from his head.

THE CAMP FIRE

GLENDALE BOY SCOUTS TO HAVE WEEK-END GOOD TIME

"At last, fellows, we are going to have a real camp, swimming pool and everything," is the word sent out to the Boy Scouts of Glendale. Every first and second class Scout is going to have a chance to help build this camp. S. B. Kellogg and his assistant, H. Benj. Robison, are planning a grand week-end camping trip for this week. All first and second class Scouts who wish to go should be at Brand and Broadway next Friday afternoon at 3 o'clock, with grub for that day, Saturday and Sunday; also blankets. Hamsters should be taken along, so work can be done on the new camps Saturday.

Troop 2 held a splendid open-air meeting at the home of their Scoutmaster, Benj. Robison, last Thursday night. After a short drill, games were played. Troop 2 reports that 19 merit badge tests were passed by their members last week. They think this is "some record."

Troop 3 had a lively meeting Friday night. Mr. Kellogg being absent, his assistant, Ben Robison, took charge. After the business meeting some songs and a few good, snappy jokes were told. Several Scouts took tests after the meeting.

Troop 4 was reorganized last Tuesday night, with Elwood Ingledue as Scoutmaster. They had a fine meeting, after which ice cream and cake were served to the boys by the troop committee. All boys who have been in Troop 4 before are asked to meet at the M. E. Church Tuesday evening at 7:30.

PROHIBITION AIDS

GROWERS OF WINE GRAPES NOW SEE BENEFIT OF NEW ORDER

W. H. Hyatt of 552 West Broadway did not bottle any grape juice this year as had been his custom for several years past. He found it much more profitable to sell his wine grapes on the vines at \$50 a ton. He says his son, who has a large vineyard of wine grapes in Yolo county was much concerned when the Prohibition amendment seemed certain of being ratified, and talked of plowing up his vineyard. But when he received \$35 a ton for all his grapes last year he began to change his mind about the direful effect of the new order of things, especially when he remembered that \$14 a ton was the highest price received in former days. Then when he was offered a price of \$55 a ton this year, before the grapes had set on the vines, he completely changed his view about the blighting effects of prohibition, much to the amusement of his parents, who had assured him all the time that he would profit, not lose, by the new regime.

PRESBYTERIANS

HOME COMING C. E. SERVICE AND TWILIGHT COMMUNION

Following the Twilight Communion service, held at the Glendale Presbyterian Church Sunday evening at 6:00, a large union meeting of the Intermediate and Young People's societies of Christian Endeavor met in the Sunday School room for a "Home Coming" C. E. service. Invitation cards had been given out to those attending the morning and evening church services and at the hour of 7:30 the Sunday School room was crowded with friends, ex-Endeavorers and those who are now members. Howard Brown, ex-State President, led the service which was the best Christian Endeavor meeting the societies have ever had, for the reason that in that service were those who in years past have been Endeavorers and who gave their testimony as to what Christian Endeavor had meant to them. Mr. Brown asked those who had been in State, County and Local Union Christian Endeavor, either in California or any place in the United States, to stand and it was surprising to see the large number who had been engaged in the work; not only was California well represented but many States in the Union were heard from. A unique feature of the program was the special music which consisted of several selections from a large Brunswick phonograph furnished through the courtesy of the Glendale Phonograph

ROGERS-HOOVER

BROTHER OF MRS. ARNOLD AND MRS. BRANT WEDS EL CENTRO GIRL

That arrangements for a very charming wedding can be completed in a very short time was demonstrated at the home of Dr. and Mrs. Frank Arnold Saturday afternoon when the brother of the hostess, Perry J. Rogers, of El Centro, was united in marriage to Miss Florence Hoover, also of El Centro. Not until Thursday did Mrs. Arnold know that her brother and his fiancée had decided not to wait longer. Then, with the able assistance of her brother and sister-in-law who are her house guests, Mr. and Mrs. Clyde Rogers, of El Centro, the other guests were bidden and the arrangements made.

One side of the parlor of the Arnold home had been decorated with ropes of asparagus fern and there the ceremony took place, Rev. W. E. Edmonds officiating. The pretty bride was gownned in a charming creation of white voile and carried a shower bouquet of rosebuds. She was attended by her sister, Miss Constance Hoover, also in white, and was given away by her grandmother, to whom she has been like a daughter since the death of her mother. Attending the groom was his friend, Glen Rice, of El Centro.

Preceding the ceremony Mrs. Arnold sang: "Thou Art So Like a Flower," and "Come, Will You Come to Me." Mr. Vance, the friend and vocal instructor of the groom, then played the Mendelssohn Wedding March to herald the bridal party.

The guest list was limited to relatives and close friends of the bride and groom and included: Mr. Hoover, father of the bride, his mother, Mrs. Hoover of Redlands and his daughter Miss Constance; Dr. and Mrs. Arnold, Mrs. D. W. Brant, Dr. and Mrs. George Rogers of Los Angeles, Mr. and Mrs. Clyde Rogers of El Centro, Mr. Reynolds of El Centro, Fred Clock of Riverside, Glen Rice of El Centro, Mr. Vance of Los Angeles, Dr. and Mrs. Edmonds and a few other friends from out of town.

After congratulations had been bestowed upon the happy pair the big wedding cake which centered the refreshment table in the dining room was cut by the bride and served with ice cream in fancy moulds.

The groom is in charge of the phonograph department of the Imperial Valley Hardware Store, his field covering the entire valley. He and his bride have gone to San Francisco on the Edison Special and will spend a part of their honeymoon attending the Edison Convention which will be in session there the coming week. They expect to return to El Centro in about ten days.

BRANDS STATEMENT AS FALSE

Rev. Father Jas. S. O'Neill of the Holy Family Catholic Church requests us to say that the statement that was made in Saturday's Evening News in the report of the Gospel Tent meetings to the effect that "The Roman Catholic affirms that tradition is more clear and safe than the Bible" is entirely untrue as anyone who is at all familiar with the principles and teachings of the Catholic Church knows.

LAST SERVICES

FUNERAL OF R. M. JACKSON LARGELY ATTENDED—MANY FLORAL TRIBUTES

Most beautiful was the scene in which friends and relatives of Robert McKee Jackson gathered to pay the last tributes and perform the last offices for the beloved dead. Rolling green turf on which the swaying trees wove a changing pattern of shade stretched in all directions, birds sang in the branches and all nature gave comfort in its promise of the life that now is and the life to come which had been the theme of the preacher's discourse in the Little Church of the Flowers, where the services were held.

The mound of earth which marked the grave was completely hidden by a most wonderful collection of floral tributes, large pieces of rare beauty from organizations with which Mr. Jackson had been affiliated testifying to the respect and regard of his associates. But there were smaller remembrances, too, in almost countless numbers and it was clear to the most casual observer that here was a man who had been a friend to many.

BANK ADVERTISING

Banks and industries are synonymous terms today. The leading banks are the strongest advocates of industries for the wide-awake banker knows that the prosperity and growth of any community depends largely upon payrolls and investments.

Typical of bank advertising showing interest in industrial undertakings are the following paragraphs from an advertisement of The Valley Bank at Phoenix and Ajo, Arizona:

We believe in liberty under the law, and in the responsibility of every individual, corporation and organization to the law.

We believe in a liberal wage for honest service, and oppose the exploitation of labor in every form.

We believe in the right of men to organize for mutual benefit and advancement, and in their right to collectively bargain with their employers.

We deny the right of any small but violent minority to express the sentiment or dictate the industrial policy of the sincere and loyal workmen of America.

We believe in equal opportunity for every workman who offers his labor, and a square deal for every contractor who risks his capital.

We believe in America for Americans.

She finds recreation in developing her talent for drawing and is taking special work at a commercial art school in Los Angeles. Her instructor speaks highly of her natural ability which, he says, is equal to that of young people five years her senior. One sample of her work—a large pen drawing of a beautiful girl face—fully bears out her instructor's opinion.

Wm. Gardner, who recently came out to Los Angeles from the metropolis of Illinois with his wife and two children, of course heard of beautiful Glendale almost immediately as the city of desirable homes, and came out to investigate. He happened to meet James W. PROF. HALL'S TALK

Professor A. E. Hall, secretary and treasurer of the San Fernando Academy, occupied the rostrum of the Seventh-day Adventist Church Saturday morning, speaking in the interests of the educational work of the denomination.

Professor Hall spoke of the rapid growth and development of the educational work and said that during the past year about 33,000 of the Adventist young people were enrolled in the various schools ranging from grammar grades to medical college, with about 2200 instructors. As the main object of these schools is not only to give a thorough, all-round education but to train missionaries, many former students are now preaching and teaching in various parts of the world.

Literature is published in over a hundred different languages from printing plants whose sales last year totaled over five million dollars.

By the apt coupling together of several different texts, the speaker evolved what he termed God's present day charge to Christian young people. "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations and then shall the end come." (Matthew 24:14). "For if thou altogether holdest thy peace at this time, then shall there arise enlargement and deliverance to the Jews from another place, but thou and thy father's house shall be destroyed; and who knoweth whether thou art come to the kingdom for such a time as this?" (Esther 4:14). "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you; and lo, I am with you alway even unto the end of the world." (Matthew 28:19, 20).

"The gospel will be brought to the attention of every soul in some manner and when this is accomplished the end will come," said Professor Hall. "We are not to forget that Christian education plays an important part in the accomplishment of this gigantic task, but with the talents of every worker improved and consecrated to the Master's use, this can be done."

APOSTLES QUERIED

tend services in the synagogue on the Sabbath day. This day was kept by all the Jews and Christ never instructed us differently."

"Peter," continued the evangelist, did you ever hear Christ intimate that He desired man to keep Sunday even in honor of His resurrection?" "No," answers Peter, "Our Master and Lord told us in Matthew 24:20, when Jerusalem was to be destroyed in A. D. 70, 'But pray ye that your flight be not in the winter, neither on the Sabbath day.' Jesus always expected us to keep the seventh day Sabbath." Mr. Prout then asked Peter if he was an Adventist, to which Peter consented most emphatically.

Next Paul is called upon to witness his belief upon these two questions: "Do you keep the seventh day Sabbath, Paul?" He answers: "But this I confess unto thee, that after the way which they call heresy, so worship I the God of my fathers, believing all things which are written in the law and the prophets. Acts 24:14. My custom was always to keep the seventh day Sabbath. No dispute about this in my day for we all kept it. Acts 18:1-4. Also the 11th verse. Here we kept nearly 80 Sabbaths. True, we had one meeting Saturday night in Acts 20:7, but we paid no particular attention to the day. It was simply my last chance to meet with the people at Troas."

"Paul," continued Mr. Prout, "Do you believe and teach that Christ is coming soon?" He answers: "In all of my epistles I wrote concerning it. This was the one glorious hope in my day. 'For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel and with the trump of God; and the dead in Christ shall rise first. Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord.'"

"So Peter, Paul and others of the Apostles were Seventh-day Adventists. We believe nothing more, or nothing less than what the Apostles preached," affirmed the speaker, "and any one who says differently is improperly informed. Gal. 1:6-9. 'I marvel that ye are so soon removed from Him that called you into the grace of Christ unto another gospel; which is not another, but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.'"

Mr. Prout announced that the subject Tuesday evening would be "666." The number of a man. All were urged to hear this stirring lecture.

LAST SERVICES

(Continued from Page 1)
bore the casket were all old friends—Alexander Mitchell, J. W. Usilton, Ezra Parker, C. J. Letts, J. B. Doner and Louis Nunn.

On either side of the grave, in full regalia, stood members of the Glendale Commandery Knights Templar, of which Robert Jackson had been a member and with whom he had often participated in similar services for deceased brothers. Back of them were members of the Glendale Elks' Lodge, and at the conclusion of the impressive ritualistic service conducted by Sir Eminent Commander Percy Priaulx and Chaplain Von Oven, the Elks filed past the casket and each laid a floral tribute upon it.

At the services in the chapel all seats were filled and many men were standing in the rear while outside a congregation almost as large quietly waited. The service was of the customary kind, songs by a choir of six ladies of the Christian Church, Messdames R. P. Jodon, Floyd Mercer, J. D. Cole, Cleo Stoler and Calvin Whiting, and Miss Eva Garton. A biographical sketch was read by Rev. Clifford Cole, and then a brief address and prayer was made by Mr. Cole who took for his text: "I am come that ye might have life and have it more abundantly." He said in part:

"I know that the man we honor this afternoon, the man you all knew, was a man who loved to live. Life and power are the universal quests of mankind. The desire of men who are normal is to live. I do not believe any normal man can face opportunity and say he wants to die. This man wanted to live. I know he did from many things he said to me and to you. He wanted to live because there were things to live for. Life in its fullest meaning is living every day abundantly on behalf of others. This man was a man of unselfish deeds, out of his poverty helping those who needed help. A man came to me and said, 'Bob Jackson helped me when I was in great need, not a very large assistance but one that put me on my feet and then in a larger way he helped me afterwards. All I have and all I am I owe to Robert Jackson.' If I can have that said of me when I come to this place, it will have made my life worth while. There were countless lives that were helped by him who never, perhaps, will be able to

express their gratitude. Young men and women sent away to get an education were helped by this man, and there are many in these later days who have been helped by the unselfish things he did; so the abundant life was his in this world. And what he did was not done in his own name but in the name of Jesus Christ.

"Life is significant in what it leads to. I have always remembered the words of a certain man to a class of boys. He said: 'Life to me means this: It is a situation devised by the ingenuity of our Heavenly Father in which to train sons and daughters for an inheritance and power by teaching them to use the power they already have in a friendly way.' That is what this man has done, used the power he had in a friendly way, and he has entered into an inheritance we cannot measure."

& Piano Company. Another surprise in store for those present was the presence of two of the California State Christian Endeavor Union flags, both of which are very carefully guarded by the State Union, but were entrusted to Mr. Brown on his return from the recent State Convention held in Fresno, and through his thoughtfulness were loaned to the societies for the evening. These flags have a wonderful history. One of them was carried to the International Convention in 1887.

"Home Coming Twilight Communion Service"

The largest gathering of worshippers in the history of the Glendale Presbyterian Church gathered Sunday evening at the six o'clock Twilight service. Special music suitable to the occasion was rendered by the quartette and the presence of several ex-elders of the church, some of whom are living at considerable distances helped to add to the "Home Coming" meeting. After the administration of baptism and reception of the large number of new members, Rev. A. W. McGlotham assisted Rev. W. E. Edmonds in the distribution of the sacrament. The service was an impressive one and surpassed any that had been held in the past years both in attendance and in spirit. The morning service which was held at the usual hour was in the nature of a preparatory meeting for that of the evening. Rev. Edmonds gave a wonderful message from Eph. 5:2 on the "Fourfold Offering." The Church and Sunday School rooms were packed, both morning and evening.

HAWKEYES MAKE GOOD RECORD IN BIBLE SCHOOL CONTEST

Yesterday was Iowa day in the Bible School contest of the states and the Hawkeyes certainly did themselves proud, especially in the decorations. A shock of corn stood by the piano and cornstalks were used to festoon walls and archway. On a table to the right of the pulpit was a table fringed about with asparagus fern on which was a "horn of plenty" from which were pouring forth products peculiar to Iowa's soil, such as apples, cherries, plums, potatoes, etc. There were 15 native Iowans present but several who had assisted in the decorations and had intended to be there were detained at the last moment.

The morning sermon was on "The Command of Our Resources." Every man is born into the world with a purpose and God expects him to live up to that purpose, using to the fullest extent the talents he is endowed with. The man with only one talent who uses it to the utmost is far better than him who has ten and fails to live up to what is demanded of him. There are plenty of resources in the church of the living Christ to do all He has planned for the world if only the members use these resources properly. This was the burden of the minister's plea and he added that a new church home would arise there where it was so sorely needed whenever the members of the congregation would agree to live up to their opportunities and draw fully on the abundant resources they have been endowed with.

The evening subject was "The Vision and the Man," and was an amplification of the morning theme. It was from the first chapter of Revelation, where John describes the vision of the living Christ, who gave him a message to the seven churches of Asia. The nation or the church that loses its vision is bound to perish, and the only way to prevent this calamity is to use to the utmost every resource God has given, for He demands that we use to their fullest extent the talents with which he has endowed us. The speaker exhorted his hearers to not sit idly with folded hands awaiting the second coming of the Christ, which may be thousands of years in the future, but to do each day the tasks that come to their hands, leaving the results with God.

NO RELIEF

**CLOTHING COSTS TO SOAR IN
NEXT FEW MONTHS, SAYS
MILL REPORT**

S. Berman calls attention to a recent report of the Washington Woolen Mills, in which they reach the conclusion that the only possible solution of the high cost of living problem is curtailment of purchases on the part of the public and an increase in production by manufacturers. The present forced sales of merchandise is causing the public to greatly increase their purchases while mills are reducing production even to the extent of closing down. This absolutely reverses, says the report, what should be done, with the only possible result of creating a still greater shortage. One of the most serious aspects of the case is that the public, after being encouraged by these sales to believe that the day of high prices is over may be faced with a sudden contrast where prices will be higher than ever and ordinary requirements difficult to obtain.

The report points to the fact that the banks of the country became over-extended in their loan discounts due to the approximate increase of 300 per cent in cost of merchandise, which forced the merchant and manufacturer to seek undue bank accommodation. The banks started to correct this condition late in 1919 and would have accomplished sufficient liquidation without disturbing general business conditions had it not been for the railroad strike and the consequent blockade of transportation facilities.

There is a tremendous shortage of manufactured goods due to the war and to labor conditions after the war. The cost of production has increased, raw materials have not declined and the actual cost of producing woolen goods and clothing will be greater in the next few months than ever before. Mills are shutting down throughout the manufacturing districts in order to correct the excessive demands of labor.

OHIOANS AT STATE PICNIC FAVOR HARDING

T. L. Brown of 213 North Louise was at the great Ohio picnic in Sycamore Grove last Saturday and took down the three straw votes taken on presidential preferences in the afternoon. He says it was thought fully 10,000 people were there, but only one vote to the family was asked for. The results of the three votes were as follows: Harding 597 and Cox 236; Harding 745, Cox 287; Harding 946, Cox 347.
